

South Carolina Early Care and Education Workforce Study Survey of Early Care and Education Teachers and Administrators

General Information

Thank you for taking the time to complete this survey funded by the South Carolina Department of Social Services Division of Early Care and Education. You will be answering questions related to your personal experiences and opinions as a professional in the field of Early Care and Education.

The information that you provide will be used to better understand the experiences of the Early Care and Education workforce throughout the state of South Carolina. This information will help guide decisions intended to support a stable and effective Early Care and Education Workforce.

Please know that no personally identifying information is being requested and the information provided by you cannot be connected to any individual or organization.

South Carolina Early Care and Education Workforce Study Survey of Early Care and Education Teachers and Administrators
